Dear Sir/Madam,

The Greek Parents Association was established in 1952 and now runs 7 schools and Youth Clubs, where the Greek mother tongue and culture is taught to approximately 850 children. Volunteers, who act as representatives on the school committees, committee of management and executive committee, manage the organisation.

In order that we may continue to maintain our schools we organize various functions through the year, which help to finance the running of the schools.

On Sunday 17 March 2019 we will be holding our Annual Dinner & Dance at the 'Grand Palace 242 High Road Wood Green' At this occasion we issue a brochure and we kindly ask if you would be willing to place an advert at a cost of £75.00 (black & white) or £100 (coloured).

As you will appreciate the schools rely heavily on these fund raising events and they help tremendously towards financing the running of the schools for our children as well as advertising your business & support to our community.

Any other contributions such as small prizes for the raffle will be greatly appreciated.

We will be very grateful for your assistance in the worthwhile cause.

Yours faithfully

P. Yiacoumi
(Chairman)
